

ABA is the first and only school in Muscat, Oman offering three International Baccalaureate programmes, where the focus is on an academically challenging, global education. We are an international school for boys and girls aged 3 to 18 with over 75 nationalities represented. ABA is grounded in its mission to deliver an international education of the highest quality to enable students to be confident, responsible, caring, life-long learners.

We are a robust community-minded team at ABA with a big heart and a strong work ethic. We are looking for individuals who share in our passion for preparing outstanding citizens who will contribute to the world through leadership, a commitment to service, and an understanding that we are all responsible for our communities' future.

### **NEW TEACHER PROGRAMME**

ABA is looking for newly trained, certified teachers to join our New Teacher Programme for the 2021-22 School Year. Our New Teacher Programme is designed for newly qualified teachers who wish to gain full-time, mentored, international teaching experience. A New Teacher at ABA collaborates with the mentor teacher in all aspects of teaching, from planning the lessons to meeting with parents.

ABA offers a monthly salary, furnished, shared (private room) accommodation, return flight, medical insurance, and a technology stipend. The positions are for a one-year contract running from August through June.

We are currently seeking exceptional candidates for the following opportunity:

### **HIGH SCHOOL (Grades 9-12) MATHEMATICS NEW TEACHER PROGRAMME**

#### **Position overview**

ABA seeks a Mathematics teacher who aspires to gain experience and knowledge of the IB Diploma Programme (IBDP) plus the IB Middle Years Programme (IBMYP). The successful

candidate is expected to become involved in the school's life, including after-school activities and student support in mathematics.

### **Responsibilities**

- Create the conditions for students to make progress and achieve success
- Develop and build strong and positive relationships with each student
- Collaborate closely with the Head of Department and relevant teachers to teach smaller groups of students requiring further support in the subject
- Provide release time for the Head of Department as required
- Assess student understanding and progress, and provide useful feedback
- Collaborate with colleagues and other stakeholders to best support our students
- Be available after school and during breaks to support students in mathematics
- Model our school's Mission, Vision and Values
- Understand and ensure school policies are reflected in practice.

### **Experience**

The successful candidate will:

- Either be a newly qualified teacher seeking experience or be enrolled with a teacher education programme in mathematics
- Demonstrate a commitment to personal, professional learning and growth
- Have the skills to teach in distance, blended and face to face contexts

Interested candidates should submit their application using the link provided on our website. Applications sent via other channels will not be accepted. These positions will remain open until filled. If this posting remains active on our website, we will continue to accept applications. We thank all applicants for their interest; however, only those selected for an interview will be contacted.

*ABA Oman International School will only use and retain personal information for the purpose for which it was collected. Any personal information provided will be maintained in confidence.*
