

---

ABA is the first and only school in Muscat, Oman offering three International Baccalaureate programmes, where the focus is on an academically challenging, global education. We are an international school for boys and girls aged 3 to 18 with over 75 nationalities represented. ABA is grounded in its mission to deliver an international education of the highest quality to enable students to be confident, responsible, caring, life-long learners.

We are a strong community-minded team at ABA with a big heart and a strong work ethic. We are looking for individuals who share in our passion for preparing outstanding citizens who will contribute to the world through leadership, a commitment to service, and an understanding that we are all responsible for our communities' future. We are currently seeking exceptional candidates for the following opportunity:

## **HIGH SCHOOL DESIGN TEACHER AND EDUCATIONAL TECHNOLOGY SUPPORT**

### **Position Overview**

This unique position is expected to combine IB MYP Design (around 0.6) and Educational Technology Support (0.4). ABA seeks a Design teacher with experience and current knowledge of the IB MYP Programme (IBMYP). The successful candidate will ideally have experience of the IB Middle Years Programme (IB MYP). In the Ed Tech role, we seek a candidate with a deep understanding of how technology can enhance student learning and coach and support students and teachers in this area.

The candidate is expected to become involved in the school's life, including after-school activities and student mentoring.

### **Responsibilities**

- Create the conditions for students to make progress and achieve success
- Develop and build on strong, positive relationships with each student and their family

- 
- Assess student understanding and progress, and provide useful feedback
  - Ensure that the written curriculum is reflective of the taught curriculum
  - Collaborate with colleagues and other stakeholders to best support our students
  - Role model using Educational Technologies to enhance student learning
  - Take the lead on developing the skills of teachers to use Educational Technologies to enhance student learning
  - Help to manage systems that are used by students and teachers such as G-Suite and Managebac for High School
  - Role-model our school's Mission, Vision and Values
  - Understand and ensure school's policies are reflected in practice

## **Experiences**

The successful candidate will:

- Have proven experience as a qualified Design teacher
- Have teaching experience within an MYP school
- Demonstrate a commitment to personal, professional learning and growth
- Has the skills to teach in distance, blended and face to face contexts
- Have the ability to work with adults in the context of Educational Technology

ABA Oman International School offers a comprehensive total compensation package. This is a rare opportunity to work with a fantastic community of professionals that makes up our ABA Community. Interested candidates should submit a resume and cover letter indicating personal strengths and accomplishments.

This position will remain open until filled. If this posting remains active on our website, we will continue to accept applications. We thank all applicants for their interest; however, only those selected for an interview will be contacted. Interested candidates should submit their application using the link provided on our website. Applications sent via other channels will not be accepted.

*ABA Oman International School will only use and retain personal information for the purpose for which it was collected. Any personal information provided will be maintained in confidence.*
