ABA is seeking a Chemistry teacher with experience and current knowledge of the IB Diploma Programme (IB DP). The successful candidate will ideally have experience of the IB Middle Years Programme (IB MYP). The role is likely to include IB DP and IB MYP Chemistry, and possibly IB MYP Biology.

The candidate is expected to become involved in the life of the school including after school activities and mentoring of students.

### **Responsibilities**

- Create the conditions for students to make progress and achieve success
- Develop and build on strong, positive relationships with each student and their family
- Assess student understanding and progress, and provide effective feedback
- Ensure that the written curriculum is reflective of the taught curriculum
- Collaborate with colleagues and other stakeholders to best support our students

- 
- Role-model our school's Mission, Vision and Values
  - Understand and ensure school's policies are reflected in practice

## **Experiences**

The successful candidate will:

- have proven experience as a qualified Chemistry teacher
- have teaching experience within a DP and preferably MYP school
- demonstrate a commitment to personal professional learning and growth
- preferably have experience of teaching biology
- has the skills to teach in distance, blended and face to face contexts

ABA Oman International School offers a comprehensive total compensation package. This is a rare opportunity to work with an exceptional community of professionals that makes up our ABA Community. Interested candidates should submit a resume and cover letter indicating personal strengths and accomplishments.

This position will remain open until filled. If this posting remains active on our website, we will continue to accept applications. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
